Sir:

On July 12, 2005, the undersigned received a telephone call from the Examiner. During this call, the Examiner indicated that claims 30 and 32 were not in compliance with 35 U.S.C. 101, but that they could be brought into compliance via an Examiner's Amendment wherein "storage medium storing a control program" was changed to "computer readable storage medium storing a control program" in each of claims 30 and 32.

On July 13, 2005, the undersigned placed a telephone call to the Examiner indicating that the proposed Examiner's Amendment was acceptable. Agreement was reached.

Respectfully Submitted,
